A note from Stepping Stones: To reach our goal, we hope that each participant finds 10 sponsors. Our goal is to raise at least **\$7200** to fund the **Food Pantry, Shelters, and Community Connections programs** because of the increased need during the winter months in Dunn County. If each participant raises around **\$75**, we will achieve our goal. The First Annual Step Up to Hunger Walk/Run is in honor of Julie McNaughton, long time organizer of the Menomonie area CROP Walk. Thank you very much for your participation!
